

Health and Beauty Solutions with Care

Dear Patient

We would like to welcome you to the Mana Medical Centre. Mana Pharmacy is next door to Mana Medical Centre. We are open from 8am to 6pm Monday to Friday and 9am to 2.30pm Saturday. For a quick list of the services we are able to offer you, please see the list at the bottom of the page.

Mana Pharmacy has six pharmacists: Naheed, Shainaz, Miranda, Stewart, Sarah and Helen. We also have a qualified dispensary technician, Sue and a Pharmacist Intern (trainee pharmacist), Taleesha.

All of our staff will give you good, healthy, practical advice on medicines and healthcare. If we are unable to help, we will try to refer you to someone who can. We are the medicines experts. Our focus is finding solutions with your other healthcare providers for you to get the best out of your medicines. Please feel free to call in and introduce yourself, send us an email or give us a phone call if we can help in any way. Looking forward to being of service to you.

The Team @ Mana Pharmacy.
