Manage your Health Care Online
with ManageMyHealth™

WHAT IS HEALTH CARE ONLINE?

It's the place you go to access your health information online, it's easy and confidential.

It is a fast and secure way for you to book appointments with your doctor, view test results, request repeat prescriptions for long term medication and more.

Talk to your doctor or Health Centre Team if you would like to setup an account.

WHAT ARE THE BENEFITS?

- View your medical records
- Request repeat prescriptions
- Book appointments
- View your latest test results
- Send secure messages to your doctor or nurse
- Receive appointment and recall reminders
- View your immunisation records
- Update your personal details

NOTE: Your Health Centre will tell you which of these services they offer and what fees apply.

GETTING STARTED

The registration process is quick and easy. All you need is a personal e-mail address, proof of identity and to be 16 years or older.

To get started talk to your doctor or Health Centre team today!
