

Dear Patient

Welcome to the Mana Medical Centre. Mana Pharmacy is next door to the medical centre. We are open from 8am to 6pm Monday to Friday and from 9am to 2.30pm Saturday. For a quick list of some of the services we provide, please have a look at the list at the bottom of this page.

Mana Pharmacy has a team of pharmacists, pharmacy technicians and pharmacy assistants able to give you good, healthy, practical advice on medicines and healthcare. If we are unable to help you, we will try to refer you to someone who can. We are the medicines experts. Our focus is finding solutions with your other healthcare providers for you to get the best out of your medicines.

Please call in, send us an email, use our website or give us a phone call if we can help in any way. We look forward to being of service to you.
